Gentleman,

Once again I wanted to thank your organization for supporting the Skills USA regional electrical wiring competition that was recently held at S.U.N.Y. Farmingdale on 3/03/06. Your yearly support and expertise in the trade area help to make this contest a great experience for the students. John McGinn, Les Gochman and Jack Morell all had a difficult task in judging and determining the placements. The judges did an excellent job. Looking forward to working with your organization again next year.

Sincerely,

James McKillop  
Electrical Teacher
